

Nancy Bennett of Hicks Point Rd. brought this picture of her great-grandfather's house located on Powder Point Ave., now owned by Dr. James Ladd. Her great grandfather, William Adams, bought the house in

1881 at a sheriff's auction for \$1,000 with land that stretched from the Back River to Powder Point Ave. He left the house to her grandfather, Dr. John Adams. It was sold in 1961 to Frank Christian.
